

UGANDA

DOELEN/OBJECTIFS/GOALS :

Education - Contribute to the realization of an inclusive, equitable, quality and relevant education system that prevents early school leaving (drop-out) and equips Uganda's youth with the knowledge, skills and attitudes they need to thrive in the world of work Strategic

Health - Enhance health and wellbeing of the most vulnerable by increasing access to comprehensive, inclusive and responsive health services, including community based first aid care and safe blood services

Human Rights, Governance and Justice - Support Uganda's rights defenders, civil society and vulnerable population to promote, respect and protect human rights, enhance access to justice and contribute to peaceful conflict resolution.

Sustainable Agriculture and Food Systems - Contribute to sustainable food systems, based on a family farmer model, respectful of the environment and which supports women and youth participation contributing to a more inclusive society

Entrepreneurship and Youth Employment - Contribute to sustainable livelihoods, growth opportunities and resilient markets for less privileged entrepreneurial people in Uganda

Gender, Age and Inclusion - Identify and address structural and systemic exclusion and discrimination, inequalities and vulnerabilities, to promote active and meaningful participation of all, including the most marginalised in the spirit of Leaving no one behind

Culture - Strengthening the Cultural and Creative Industry in Uganda
