Travel regulations from and to Belgium

Travel regulations and network planning Africa

Travelling from Belgium to Africa

Departure from Belgium

4 color zones – updated October 1st 2020

- **RED**
 - The Belgian authorities **strongly discourage** travel to this zone. *Non-essential travel is possible and allowed*
- **ORANGE**
 - Travel is possible, but the Belgian authorities recommend increased vigilance (dark orange)
 - Travel is possible, but the authorities of this country impose a COVID test and/or quarantine on travellers from Belgium (light orange)
- **GREEN**
 - Travel is possible. Hygiene and social distancing rules still apply
